ENOR in 2019

489 happy campers
71% of campers love being outdoors more after camp
4 youth volunteers contributing 261 hours

The POWER of engaging activities

“The best activity this week was the ghost town because I was interested to see a real ghost town, not a Hollywood one on a screen.” - ENOR camper

“My favorite was Wednesday, I liked how we were trying to find out if Bear Creek was a healthy creek. I like to DISCOVER and that was really fun!” - ENOR camper

“My favorite activity this week was hiking the hard trail at White Ranch. I liked this experience because it really pushed me to my limits.” - ENOR camper

The POWER of sharing new knowledge

“[I will share] how every place has a story and that we should preserve these places for younger generations to come.” - ENOR camper

“I will teach them to be more respectful to the environment. I will teach them to love nature and not to litter.” - ENOR camper

“Now that I know more about the outdoors, I can teach my family, have fun, stay safe, and see cool sights.” - ENOR camper

“ENOR pushed my child out of his comfort zone and provided him with a great opportunity to meet new people while learning about new environments.” - ENOR Parent

“ENOR builds confidence in young kids and teaches them respect for the outdoors, for others and to fully enjoy and be in touch with nature! Great experience!” - ENOR Parent

“I love the challenge hiking gives me and I love how good it feels to make it to the top of a mountain. I also love the feeling that I made it.” - ENOR camper

“I like being in outdoors a lot more because I’m not the one who doesn’t know anything, now I’m the person who does know a lot.” - ENOR camper

For 45 years, ENOR Environmental Discovery Camp has been getting youth outdoors for a powerful week of exploration with caring adults and their peers. After a week at ENOR, children come away with a connection to the natural world and an understanding of how to spend time outside in the future.

The POWER of partnerships

Providing tours and activities that support ENOR activities: Colorado School of Mines – Edgar Mine, Gilpin County Historical Society and Museum, U.S. Army Corps of Engineers – Chatfield Dam

Providing use of facilities and public lands: South Platte Park, Golden Gate State Park, Apex Recreation Center, Denver Mountain Parks, Jefferson County Open Space, South Platte Park, Jefferson County Fairgrounds

Providing scholarship funds or other financial assistance to conduct program: Jeffco Outdoors Foundation, Jefferson County 4-H Foundation, Theta Eta Chapter ESA, Holcombe Family

Additional support comes from: Colorado State University, Jeffco Public Schools Transportation
