# Environmental Discovery Camp

A week of learning, exploration and fun in nature

## 2020 CAMP SESSIONS AND DROP OFF LOCATIONS

### Central Site

June 8–12 • June 15–19 • June 22–26  
July 13–17

Jefferson County Fairgrounds  
15200 West 6<sup>th</sup> Avenue Frontage Road  
Golden, CO 80401

### North Site

July 6–10

Apex Recreation Center  
13150 West 72<sup>nd</sup> Avenue  
Arvada, CO 80005

## CAMP HOURS

**Drop-off between 7:30 a.m.–8:00 a.m.**

**Pick-up between 4:00 p.m.–4:30 p.m.**

Jeffco school buses transport campers from drop-off location to and from sites, leaving at 8:00 a.m. and returning at 4:00 p.m. Parents are responsible for transportation to and from drop-off location.

Summer 2020

Eagle's Nest Owl's Roost (ENOR) is an award-winning Jefferson County 4-H program that focuses on environmental education and youth development, rather than recreation. Each day, the curriculum highlights unique environmental and social themes that guide learning. Science, math, history, drama, art and teamwork are woven into activities to meet diverse interests of young learners.

## OUTDOOR ACTIVITY

Geared towards encouraging healthy lifestyles, active engagement with the outdoors, and perseverance through challenge, each camp day includes hiking in local parks and open spaces. Campers visit a unique location each day.

## CARE

Campers are assigned to one caring educator for the week. This gives campers the opportunity to bond with their leader and peers, creating a pathway to comfort and safety, and supporting an environment of learning. Camp staff is made up of trained professionals, many are licensed teachers, and all are First Aid/CPR certified.

## PARTNERSHIPS

Personalized instruction is paired with supplemental programming from a number of community partners that enhance the opportunity for the campers to broaden their horizons and interact with professionals in various fields.

Colorado State University Extension is dedicated to serving all people on an equal and nondiscriminatory basis.

## WOODPECKER'S HOLLOW

Begin at the Jefferson County Fairgrounds with field trips to neighboring parks. Grab a net and go on an insect hunt; spend the day discovering the tiniest of critters; take a field trip to the Lookout Mountain Nature Center to look for wild messages; meet live birds of prey and watch them fly overhead; search for frogs, snakes, and other wildlife in a riparian habitat! The week is divided between activities at the Fairgrounds and field trips.

*28 campers per week.*

### Environmental and Social Themes

- Creepy, crawly critters
- Wild critters
- Wonderful, winged critters
- Critters down on the farm
- Slippery, slimy critters

## OWL'S ROOST

Visit the Chatfield Visitor Center and build a mini-dam; explore a turtle pond; sharpen outdoor survival skills and learn ten items that keep you safe; treasure hunt for animal and insect homes; find out how the sun makes energy for every living thing; explore forests observing the changing environment, and participate in a wildfire education program with Jeffco Open Space Rangers!

*45 campers per week.*

### Environmental and Social Themes

- Water and respect for the environment
- Outdoor survival skills and good listener/learner
- Homes/habitats and friendship/communication
- Sun/energy and teamwork/cooperation
- Environmental change

## EAGLE'S NEST

Learn how to identify trees by smelling and touching them; play wildlife games; find out what it was like to live in a mining town; learn to pan for gold; discover the wonders of geology; go on an exciting mine tour; learn about glaciers, and safely slide down one!

*45 campers per week.*

### Environmental and Social Themes

- Trees and friendship
- Wildlife and listening
- Colorado history and respect
- Geology and cooperation
- Forest/mountain ecology and teamwork

## FALCON'S AERIE

Embark on a treasure hunt in the woods for insects, and analyze their adaptations, then take the adaptation team challenge. Travel down Bear Creek, collect samples of the critters in the creek and maybe even get wet; practice forest management techniques with the Jeffco Open Space Stewardship Team; get creative and paint the lovely scenery!

*45 campers per week.*

### Environmental and Social Themes

- Migration and community
- Adaptation and perseverance
- Engineering the environment and problem solving
- Environmental challenges and stewardship
- Sustainability and responsibility

**Please note:** programs involve moderate hiking and may not be suitable for children with certain health concerns. We do not accommodate requests for campers to be grouped with friends. However, we value that your child is interested in sharing his/her ENOR camp experience with a friend. Therefore, the camp day is a balance of small and large group settings that allow all campers to spend time with familiar and new friends!
