### Social Themes Practiced!

- Community
- Perseverance
- Problem Solving
- Stewardship
- Responsibility

### Cool Places to Explore!

- Meyers Ranch Park
- Staunton State Park
- Bear Creek Watershed
- Flying J Ranch Park
- Alderfer Three Sisters Park

### ACTIVITIES & ADVENTURES!

- **Homesteader for a Day** – Step into pioneer life and live like early settlers.
- **Build like a Pioneer** – Use mud and daubing technique to build a miniature log cabin.
- **Stream Detective** – Test Bear Creek's waters and uncover the secrets of its health.
- **Denver Water Education Team** - Engaging and hands-on water activities.
- **Summit & Steward** – Hike Evergreen Mountain and design a poster to protect our wild places.
- **Nest Builder** – Craft a bird nest tough enough to survive the 3-golf-ball challenge.
- **Forest Engineer** – Build a woodland highway with nature's own supplies.

For campers entering 6<sup>th</sup> grade in  
the Fall of 2026

DAILY HIKING  
between 2-4 miles
